

This is an inventory of all the hard copies of OGA Gaffers Logs, Newsletters and Yearbooks, held by the Gaffers Log Editor (log@oga.org.uk) and the Boat Register Editor (boatregister@oga.org.uk). One of the tasks of the Editors is to retain these Archives and to pass them on to successive Editors. If you have any of the missing hard copies in either of the Archives please let me know. This inventory is maintained by the Association Secretary (secretary@oga.org.uk). Many publications are also available as searchable PDF files:- go to www.oga.org.uk and click on "news" then "Archive".

Initiated by Rob Jarman in 2021, printed copies of the Gaffers Log are now being deposited in the British Library <https://www.bl.uk/services/legal-deposit> in Yorkshire, however, in October 2023 the British Library experienced a significant cyber-attack that disrupted many of their services.
